been
made on December 14th, 1934. In the interval between these two dates,
the Italian Government opposed the consideration of the question by
the Council on the ground that the only appropriate procedure was that
provided for in the Italo-Ethiopian Treaty of 1928. Throughout the
whole of that period, moreover, the dispatch of Italian troops to East
Africa was proceeding. These shipments of troops were represented to
the Council by the Italian Government as necessary for the defense of
its colonies menaced by Ethiopia's preparations. Ethiopia, on the
contrary, drew attention to the official pronouncements made in Italy
which, in its opinion, left no doubt "as to the hostile intentions of
the Italian Government."

This Financing Statement Amendment is to be filed for record and recorded in the Real Estate Records as a
