Make Earth Love Again LocotweetsonI love this

Lori Wheelerthat's pretty much what i described and saw

Lori Wheelerno, i could hardly hear the purple either

TEAM TRUMPI heard it really well!

TEAM TRUMPTThe one that was on a super low vibration.

CCsounds very similar to my Reiki meditation

Kathy Ashby Love the sounds of those bowls!!! Calming, and at the same time....I feel my vibration rising.

yellow brick roads as you first started and still see it

Donovan Myer that crystal one makes my teeth vibrate

CC neighbours are listening in, I'm out at the fire pit

TEAM TRUMP I seen the ocean Flowers!

TEAM TRUMP Yes waves

Jennifer Brown Yesssss, Kathy Ashby!

Fawn Denmark My thought was purity like a child's music box with a dancer twirling

TEAM TRUMP Flower and sea bird's a calling with a lot of stops. No limit then I

seen Star then cupcakes! It was varying power!

Lori Wheeler my words: pineal and throat, crown, flutters, heart, strong, really nice feeling in my head lol all i can say is that feeling was almost orgasmic for the brain.

Make Earth Love Again Locotweetson I felt lots of glitter and what Lisa said about all the colors I felt that, then like all the glitter flapping in the wind of a huge colorful flag which kind of correlates

Angie Adkins I saw her toroidal field giving off energy

Make Earth Love Again Locotweetson Lori I felt that too but in my heart chakra! Like a verbalization of vibration

Make Earth Love Again Locotweetson That's not a word LOL

Make Earth Love Again Locotweetson It was like a matador is cape!

Lori Wheeler right on

Make Earth Love Again Locotweetson But I like it LOL a verbal ration

TEAM TRUMPYeah it was!

CCbrings me to my meditation. in a clearing in a forest waiting for my path to reveal

TEAM TRUMPHi

TEAM TRUMP

TEAM TRUMPIt gives you emotions after as well. Powerful

Make Earth Love Again Locotweetson . . .

Lori Wheeleryes it does Sheila, your voice this morning was stronger than the past couple days

Jennifer Browndon't forget the 5 month old baby that adores your toning

yellow brick roadI feel that your voice sheila is Emitting a higher level that has drawn me to you . like a calling to me

Kathy AshbyIs that bowl a 'G' note - Heart Chakra?

yellow brick roadi felt the fall of old religion and the begin of oneness

Make Earth Love Again LocotweetsonI'm seeing bluebirds nothing but blue birds I hear that song

yellow brick roadI pictured the church Bells ringing and falling to the ground

Make Earth Love Again LocotweetsonAbout blue skies but with birds

TEAM TRUMPI seen totem pole a bridge!

Make Earth Love Again LocotweetsonOh my gosh!

Jennifer BrownSoooo strong, deep and intense! As though in a castle in the deepest, unknown depths of the sea where all is calm and new. I received NEWNESS/ RENEWAL really strongly.

Make Earth Love Again LocotweetsonLiberty bell's freedom

Lori Wheelerheart, emotional, ice, very sharp edge, white upward light shining out of head, bursts, ears and area in between ears felt orgasmic again (not whole brain)

Angie AdkinsI saw her dancing in her yard with butterflies

Lori Wheelerconfusion at one point

TEAM TRUMPSomething happened that gave you a new opportunity to make a change.

A lot of stillness with a breeze trees it was painful at times. But someone loves you BZ a lot. I felt it. I felt it per level

Fawn DenmarkI saw my back side and I had the feeling of just walking away and feeling released of all that holds me back, very deep feeling of being free

Kathy AshbyI saw myself moving very fast through what resembled a 'street/road' and noticed blurry 'structures' on both sides.....either I was moving very fast, or my surroundings were moving...

yellow brick roadI would like to thank you for this experience its helping me to learn how to trust my visions as something real and not just my imagination

Kathy AshbyThank You for answering that!!!

Jennifer BrownI absolutely love the song about blue skies! One of my most favorite

Tammy BattistaI have sound bath meditations at my center . . One of my favorite

healing modalities

Jennifer BrownI think we all go through doubt! Each new think I wonder. i have begun to be able to see auras intermittently

Jennifer Brown*thing

Lori Wheelerawwww BZ that was the most beautiful description i have heard!

TEAM TRUMP •

Fawn Denmark I think of the movie Peter Pan once he found his imagination again nothing was impossible

Fawn Denmark

Donovan Myers Does imagination come from the heart or brain?

yellow brick road thank you! I have been on this journey my hole life. but now time for doubting yourself is over!

Make Earth Love Again Locotweetson

Jennifer Brown I always felt imagination came from the pineal

Jennifer Brown But the pineal is not isolated from heart. it is creation

Jennifer Brown YESSDD WHOLENESS

Fawn Denmark I think our brain stops our imagination a lot with to much though and the heart releases the imagination more

yellow brick road one of main missions here to integrate the feminine, masculine and higher self together. the 3 is becoming one

TEAM TRUMP I flew around the titanic last month it was by the arctic shelf it was fine no damage I think it was a inside job! And they went to the arctic circle with the ship.

Lori Wheeler hmmm sitting here listening to lisa thinking the orgasmic feeling i had in my brain was "activation" of everything pineal, crown, and "ears" as listening.

Lori Wheeler or rather those were active for those people strongly

Jennifer Brown It would great fun getting together to play with connecting with our pineals!!!

Angie Adkins Bz's hands r glowing from the sun

Fawn Denmark The sun shining through BZ's hand look's like she is glowing with energy it it cool.

TEAM TRUMP crazy dreams

Lori Wheeler Like lisa's heart chakra is strongest, Sheila's pineal, crown and throat, BZ listens and hears applies and it burst out the crown

Kathy Ashby Synchronicities were off the charts yesterday!!! Today, not as much....Had a few friends last night and we all say orbs in my back yard and lots of 'lightening' in the sky.

Fawn Denmark BZ has an aura of light around her from the sun and it looks so beautiful

Fawn Denmark Is anyone else seeing the colors all around BZ they are beaming colors

Lori Wheeler fairy sprites

Albert Rushwe had f

Fawn Denmark BZ has a glow on her shoulder and it beams up I am just checking out all of the colors

Kathy Ashby Yes. it looks like a crystal on her shoulder!

Make Earth Love Again Locotweetson Oh wow!

yellow brick road free bird!! lmao

yellow brick road I see a beach with kids playing and the waves crashing as they pick up sea shells

Jennifer Brown I felt heart opening and a sensation in the area of my shoulder blades and within my core

Lori Wheeler pineal, crown, flutters, icy, sharp, orb, heart, i had some pain actually, above my right eye and my left ear. hmmm

Angie Adkins I saw a gold triangle & church bells

TEAM TRUMPI upper chest under my arms got tightened. Then I seen clouds and blue sky it was awesome.

Lori Wheeler so maybe right and left hemisphere were fighting each other???

Lori Wheeler Look at the funky smiley face BZ's sun reflection has lol

yellow brick road lol that's awesome!

Make Earth Love Again Locotweetson I felt like my heart chakra was singing and there was a pool of water intercepted by a vertical pool of water all rotating together and then I heart chakra and my pineal gland I pushed out

Make Earth Love Again Locotweetson Into a triangle

Kathy Ashby Before the singing bowls, I was seeing a pale blue and white light that were 'side by side'. Then when the bowls began, lots of violet light and saw you ladies crown chakra very open & activated. lol.

Kathy Ashby BZ, is there a metal button or decoration on your right shoulder...just curious...

yellow brick road you can be my weed anytime!!

Fawn Denmark I was watching the light on BZ's shoulder when she did the signing bowls and it looked like the pink light was dancing

Fawn Denmark I felt relaxed

yellow brick road lol

Kathy Ashby So Cool!

Kathy Ashby "17".

Kathy Ashby TIMBER

yellow brick road we can't use old tools to create the new. they helped us to get here. but they won't create what didn't create them. we are now realizing that we are the tools :)

Lori Wheeler shoot, i had the pull in my heart to move to Arizona for a couple years. so i saved up, built up my credit for an emergency fund (for 2 years) and then took the plunge

Lori Wheeler don't know why still lol

Fawn Denmark After the light show and the signing bowls I feel like I stepping back into the 60's and all I can say is I feel groovy and really relaxed almost like the world's problems just vanished

Jennifer Brown That would be fun!!

Angie Adkins Thank u all for the imagination playing

Make Earth Love Again Locotweetson Yes!!

Kathy Ashby The Schumann Resonance has not moved in hours. Very odd! I've been watching it for several hours already... We'll see tomorrow.

Make Earth Love Again Locotweetson Goodnight!

TEAM TRUMPI'm in

Kathy Ashby Nite all!!
