tiger8me Hey Angie and Kevin

Kevin Westring Good evening Gal Pal Posse...and esteemed guest Albert...thanks for joining tonight

teresa blackburn when a shadow knows it's been seen it certainly triggers its ability to hide

ESquirrel 1 they've been using it against us for so loooooong. the energies till people started waking , hullo all :)

Donovan Myers I was thinking truth is only going to come from within, what kind of disclosure does BZ think is going to come out and where is it going to come from, Trump maybe?

teresa blackburn what I mean is it can not hide

Kathy Ashby ALBERT!!

teresa blackburn hey joe

Lucas Schick Love love love

tiger8me quantum leaps...lol

Jennifer Brown ALL shining forth at different levels

Kevin Westring We are the frequency shaping the sand

Lori Wheeler yesssssssssssssssss cymatics. Lisa made me jump up lol. I have been trying to get people to understand the frequency change from pisces to aquarius and the in between. great job Lisa

tiger8me Lisa M. Harrison's latest video speak about how time line jumps are creating a type of spider web that's trapping the service to self peeps. There's more to what she shared but that's all I remember.

Fawn Denmark The veil is going away so we can see the truth

Deneen Peckinpah Beautifully put, BZ!

Deneen Peckinpah Lisa, I loved the music analogy.

teresa blackburn I find it to be the natural cycle of creation. heck we knew everything was upside down and inside out LOL

Make Earth Love Again Locotweetson Hey sorry I'm back I think I pictured that last night!

Donovan Myers 90 percent of everyone I know still believe everything they see on the news, its going to take something massive to wake them up.

Kevin Westring Yes....as we get closer to the zero point...or heart center...things are picking up energy and steam

teresa blackburn We are ALL through Love absolute are bringing in the new Earth reality

Lori Wheeler yup, i agree with the very soon time frame

Fawn Denmark I am waiting for the flying monkeys to be unleashed on all of us

teresa blackburn Fawn..

Kathy Ashby Fawn - that's a good one!! lol.

Fawn Denmark Yes Trump already drop the alien card the other day

teresa blackburn so busy thinks they're going to pull the project Blue beam?

Make Earth Love Again Locotweetson Ugh I am an alien LOL

Kathy Ashby I have ET friends....

Kevin Westring They've been planning that for years

Kathy Ashby Makes me sad giving the ET's a bad rap because of the Alien FF.

teresa blackburn I need a Kathy that's what I'm thinking

teresa blackburn oops i know Kathy

Kevin Westring I am of the belief that Ashtar is my brother...for what it's worth

teresa blackburn I guess our discernment and intuition needs to be really tight and tuned in

Kevin Westring Independence Day

Lori Wheeler oh, wasn't there a movie with will smith with aliens on 4th of july..... was it called independence day or maybe there were a couple of them.

Kathy Ashby Love Ashtar! - Kevin

Kevin Westring They ga

Kevin Westring They tip their card plays directly with movies

Lori Wheeler i'm also wondering if this 5g frequency they are going to put out will MAKE people see others as aliens but they are not. like mkultra type thing

Fawn Denmark Lori don't give them any idea's, lol

Kevin Westring Ha!!

Lori Wheeler or hypnotized by t.v. subliminals

teresa blackburnthey are I've seen it.. been lot's of bridging

Kevin WestringThey Live with Rowdy Roddy Piper...great example of seeing the truth..

Make Earth Love Again LocotweetsonOhhhh wow! The more I talk about the notes in my other groups the more I'm told to stop talking about this traditional astrology... I wonder why when they're completely bashing current events from a lib

Make Earth Love Again LocotweetsonPerspective

Kathy AshbyI have attended a few MUFON meetings and met some big names. No more mufon for me....kinda like 'infiltrated'.

Lori Wheelerno, its not, he said he wasn't going to use the same frequency

Kathy Ashbynot all 5g are the same.

Lori Wheelerfunny how the wauhwa sounds like yahwey

Kevin WestringI've had the theory for years about putting an antithetical frequency to stop those who are masking themselves and are seen by all as they can't hide anymore.

Kevin WestringI think that if all those sleepers were watching their evening broadcast fake news...and their favorite talking head suddenly turns into a lizard...they might wake up!!

tiger8melol @ Kevin

Kathy AshbyKevin - that would be awesome....

tiger8meThat would be so rich...lmao

Kevin WestringIt's definitely been put into the frequency soup...so it's possible

Kathy AshbyIt baffles me that people do not 'see'. BZ is correct. It has to be a frequency thing.

Fawn DenmarkI think that is next Kevin

Lori Wheelereverything is frequency

Kathy AshbyEnergy, Frequency, and Vibration!

Kevin WestringNikola Tesla

Lori Wheelerenergy and vibration are also frequency

Kevin WestringBeen proven that you can make light from sound

teresa blackburnthere is no faking absolute love frequency

teresa blackburnespecially to yourself

Kathy AshbyWent to TJMaxx for a return today. Wore NO mask. Got the nasty stares....Orlando has a mandatory mask - started yesterday.

teresa blackburnwe are each being shown during the testing where are the adjustments need to be made

tiger8meKind of like the movie "They Live" 1988

tiger8meonly without the glasses

Fawn DenmarkThey can not just make up a mask law

ESquirrel 1lori wheeler , interesting also on wheel if fortune card alternating with the letters T-A-R-O are the hebrew letters which = YHWH

Kevin WestringThere the supposed contract is void from its initiation "void ab initio" as it was wrought with fraud to begin with!

Lori Wheelerdidn't know that Esquirrel

Fawn DenmarkYes tiger instead of sunglasses it is masks. If you take the mask off you will see the alien fangs or something that would get rid of the masks

Kathy AshbyMiami has a store now called Covid 19 Essentials. I'm not kidding!!

ESquirrel 1yeah check it out :)

Fawn DenmarkKathy I am in northern Florida and we don't have to many masked people

Kathy AshbyFawn - Orlando is very liberal. Not all counties have this going on....ugh.

Fawn Denmarkyes BZ has the light show again

Make Earth Love Again LocotweetsonIt's an amazing show!!!

Kevin WestringThe Big BZ is in the house!!

Fawn DenmarkI find myself staying away from the stores that require their employees to wear masks like Walmart

Kevin WestringMaybe they are now required to show their fraud

Fawn DenmarkAt our Winn Dixie no one has masks on and there are no 6ft spacing lines and more people are shopping there now than Walmart.

Lori Wheeleryea, especially here in az when its suppose to die at 80 degrees and its 110

tiger8mewoohoo Fawn

Fawn DenmarkYeah it has been in the 90's down here to Lori

Kathy AshbyFawn - that is so awesome!! It gives me hope. lol.

Make Earth Love Again LocotweetsonRidiculous

Jennifer BrownAbsolute insanity

Fawn DenmarkIf you think about it only the real big stores are doing the mask thing. Our dollar store and save-a-lot is not doing the masks either

ESquirrel 1people around here mowing with push mowers w/masks on

tiger8meI carry a Mardi Gras mask (that goes over the eyes) that I carry with me just in case...lmao

Lori Wheelerlol tiger

tiger8meYes, I can be a real brat...lol

Jennifer Brown What about those driving in cars by themselves wearing

tiger8meyea, no

Jennifer Brown OMG tiger8me

Fawn Denmark I am telling yall picture daffy duck when his beak gets smacked off in the cartoon that is what these masked people look like and it makes me chuckle

tiger8me I'm trying to have a little fun with this craziness.

Jennifer Brown

Lori Wheeler lol

ESquirrel 1 if its not aliens as the next ff , it'll be blamed on global warming when people start falling out

Fawn Denmark good one tiger

Donovan Myers looks like BZ has a Quasar in her back yard

Fawn Denmark I will not wear a mask

Kevin Westring You not only can show them this...but also remind them that they are in violation of the American Disabilities act at a clip of \$50K per person they require to wear one...

Jennifer Brown It's a portal or wormhole

Kevin Westring If the quibble more...remind them that if there is two or more perpetrators then you will have to sue them under Rico statutes

tiger8me I don't wear that mask, I just carry it with me to keep me laughing.

Lori Wheeler geez I wish I had a printer, do you need a note from the doctor or anything?

Kevin Westring Let me do some diggin..

Fawn Denmark Take a snapshot of it on your cell phone Lori

Kevin Westring Came across that weeks back

Lori Wheeler i don't have a smart phone

Kevin Westring Me know law and stuff

Kevin Westring

Fawn Denmark Italy's leader started to investigating the hospitals and they have no patients and they looked in the cofins and there was no bodies, so they are becoming aware of the scam

Lori Wheeler if they let me in lol they just made it mandatory for masks here too

Make Earth Love Again Locotweetson Anyone who wants one I would be happy to print and mail!

Kevin Westring

Kevin Westring Yes

Kevin Westring HIPAA laws

Lori Wheeler i will just remember the name of it and tell them. deprevation of color of law correct

Christiane Gamble Hippo was suspended earlier this year wasn't it?

Christiane Gamble Hippa*

tiger8me Italy also did autopsies after the WHO said no one should do them. They discovered it's not a virus but a bacterium that's causing the blood to coagulate.

Make Earth Love Again Locotweetson Hence the issue with the ventilators killing and not recovering

Lori WheelerLori, are you on f.b.

Kathy Ashbytiger8me - that is amazing.

tiger8meyou got it MELAL

Make Earth Love Again LocotweetsonYes!

Make Earth Love Again LocotweetsonLori Feldman Cobb

tiger8meGo Italy

Fawn DenmarkI know Trump has ordered an investigation on the covid tests also after they tested a goat, cow, person and a mango and they all came up positive for covid

Make Earth Love Again Locotweetson

tiger8meyea, the swabs are tainted

Fawn DenmarkSo mango's can catch covid too I guess

Make Earth Love Again LocotweetsonThey were testing tigers at the freaking Bronx zoo what the hell! You don't have enough tests but you can test the Tigers?

Lori WheelerI will do that also Lisa

o joe442I can't hear anything

Kathy AshbyFawn - yes. I heard that too. Fruit tested positive for cv. lol

Make Earth Love Again LocotweetsonThe sheep have lost their common sense

Kathy AshbyCats were carriers. Later they said it was all domestic animals. Making stuff up as they go.

o joe442I can send that that friend one of my cards that I made up Sheila

Fawn DenmarkLet's all start hugging people in masks and show them some love, yeah think it will work

Kevin WestringBlowing up your messengers now...you two and BZ have the ammo now
